## PROFESSIONAL SUMMARY

Java Full Stack Developer (Fresher) with hands-on internship and training experience in building real-time web applications using Java, Spring Boot, React.js, REST APIs, and MySQL. Experience in backend development, API integration, and responsive UI design. Seeking an entry-level software developer role in a development-focused environment.

## EDUCATION

- |                                                                   |             |
|-------------------------------------------------------------------|-------------|
| • Bachelor of Technology – Civil Engineering                      | 2021 - 2025 |
| ○ Srinivasa Ramanujan Institute of Technology, Anantapur District | CGPA: 9.30  |
| ○ Relevant Coursework: Java Full-Stack Development                |             |
| • Intermediate – M. P. C (Mathematics Physics Chemistry)          | 2019 - 2021 |
| ○ Government Junior College for Boys New Town, Anantapur District | CGPA: 9.31  |
| • Secondary School Certificate                                    | 2018 - 2019 |
| ○ Z P High School Vidapanakal, Anantapur District                 | CGPA: 9.8   |

## TECHNICAL SKILLS

- |                                                |                                                      |
|------------------------------------------------|------------------------------------------------------|
| • Programming Languages: Java, SQL, JavaScript | • Database: MySQL                                    |
| • Backend Technologies: Spring Boot, REST APIs | • Tools & Platforms: Git/GitHub, VS Code, IIS Server |
| • Web Technologies: HTML5, CSS3, React.js      |                                                      |

## INTERNSHIP & TRAINING EXPERIENCE

### IT Intern Trainee — Suprajit Engineering Limited

July 2025 – December 2025

- Developed real-time IT Ticketing Dashboard and IP Network Monitoring web applications.
- Built backend services using Java and Spring Boot and frontend using React.js, HTML, CSS, and JavaScript.
- Integrated Zoho API for ticket management, used MySQL for database operations, and deployed applications on IIS Server.

### Java Full-Stack Web Developer Intern — Vstand4U Solutions

January 2025 – July 2025

- Completed hands-on training in Java Full Stack Development including Java, JDBC, Spring Boot basics, HTML, CSS, JavaScript, React.js, SQL, and Git. Built mini projects and practiced version control using Git/GitHub.

## PROJECTS

### Real-Time Ticketing Dashboard Application

July 2025 – September 2025

- Developed a real-time IT Ticketing Dashboard using React.js for frontend and Node.js for API integration, with Zoho API support for live ticket tracking.
- Implemented dynamic filtering, animated UI updates, and managed version control using Git.

### Real-Time IP Network Monitoring & Secure Web Application

October 2025 – November 2025

- Built a Spring Boot application to monitor IP status with a secure frontend using HTML, CSS, and JavaScript integrated with Java backend and MySQL.
- Implemented secure user/admin login and deployed the app on IIS Server

## CERTIFICATIONS

- |                                                                                |                 |
|--------------------------------------------------------------------------------|-----------------|
| • Java Full-Stack Development – Issued by Vstand4U Solutions                   | Feb - July 2025 |
| • Linguaskill Cambridge English Certification – Issued by Cambridge University | 2024            |
| • Data Structures & Web Development – Issued by Prep Leaf Masai                | October 2023    |

## SOFT SKILLS

- |                                         |                                      |
|-----------------------------------------|--------------------------------------|
| • Problem Solving & Analytical Thinking | • Team Collaboration & Communication |
| • Adaptability & Time Management        | • Critical Thinking                  |

## ACHIEVEMENTS

- |                                            |           |                                                 |      |
|--------------------------------------------|-----------|-------------------------------------------------|------|
| • Academic Topper Award, Civil Engineering | 2021–2025 | • Dr. A. P. J. Abdul Kalam Vidya Puraskar Award | 2019 |
| • Intermediate Second Topper Award         | 2020–2021 | • SSC Topper of the Mandal (Vidapanakal) Award  | 2019 |
